As the important Districts of Shemoga & Kadoor are now in charge of Assistant Surgeons, it is a point for consideration Whether such a highly paid Officer as a Civil Surgeon should be the Office Assistant of the Senior Surgeon & Why one of the Gazetted Officers attached to the Victoria Hospital at Bangalore or other institution should not be made to attend to Office duties.

In this connection, it is respectfully submitted for consideration that since Colonel Smyth the Senior Surgeon who is also the Sanitary Commissioner & Inspector General of Prisons cannot, under existing circumstances devote much of his time and attention to

inspection work Mr. Parkin
the Health Officer of the Bangalore
City who will be relieved of the
major portion of his work by
the new President, may perhaps
be appointed as Assistant to
the Senior Surgeon & Sanitary
Commissioner in which capacity
he would be able to help Colonel
Scott not only in office work
but also in inspecting and
bringing to notice any defects
in sanitation &c throughout the
State. He may continue as Sec. to
Health Officer of the Bangalore City
& give his advice in sanitary matters
to the Board, in addition to his
duties as Assistant to the S.S. &
Sanitary Commissioner

to be now actually doing these duties
The appointment may therefore be
